

## **Licking County Art Association Consignor Guidelines**

(revised January 7, 2026)

### **Acceptable Art Work**

*Acceptable art work will be approved by LCAA Gallery Space committee: all items will be reviewed to ensure that the work is clean, family friendly, presented in an acceptable form, and potentially “sellable” in the gallery. Changes to these guidelines maybe implemented by Board of Trustees approval.*

- If for inspiration you have based your art on an original work created by someone else, make certain that your finished product differs significantly from that of the original by adding your own style or interpretation so as not to run afoul of copyright law.
- All items must not be from a kit or class project where everyone did the same design.
- Acceptable prints of original art numbered in a series signed by the artist includes photographs, wood cuts, lithographs, paintings and etc.
- Wall art must be securely wired for hanging finished with a frame or other manner deemed professional.
- Art should be clean and presentable. Damaged frames, dirty mats, broken art etc. is not acceptable to show to the public.
- Should you have a question about your art please ask a representative on the space committee.

### **Keeping Track and Labeling Art Work**

- Artist Consignors will keep track of all their own art to replenish sold art or exchange art at the designated monthly gallery intakes.
- Artists will keep track of their art in the gallery by updating the LCAA Intake Form. Please clearly print information.
- Complete a required LCAA label with artist name, title of art, medium, and price. These will be attached on the wall or near your art. When art is sold, these labels are attached to the sales receipt as an extra verification for the LCAA treasurer. A Docent will also mark sold on the artist intake form.
- When exchanging art, please keep your label with your returned art incase you wish to exhibit this art again in the gallery.

If physically unable to pick up your art, please contact LCAA. If LCAA has not heard for the artist, two attempts will be documented of notification that items need to be picked up. If after these attempts and one month has passed the art will become property of the LCAA.
- Current membership is required to exhibit in the gallery. Lapsed membership will require pick up of gallery art. See above for details

- Only LCAA members with current paid memberships may participate in the gallery. As the Current LCAA membership part of the web site becomes operational members will be notified by email for renewal. As we transition to the web site and the January 1 membership renewal, those waiting to renew in the 2026 will be reminded by Membership Chair person.

Licking County Art Association will not be responsible for loss of or damage to your artwork while in the possession of the Gallery. The artist is solely responsible for insurance covering their own artwork. LCAA will make every effort to avoid mishap or loss.
